

FROM THE PRINCIPAL:

Our busy Term 4 has begun, with many students participating in a range of Children's Week celebration activities last week. This included the first Regional SWD School Sport Carnival at Glassey Park with a number of schools and many students from around the Riverland in attendance. The end of the week wrapped up with an amazing Carnival Day at our school, including students from Berri Primary School Special Class and Kingston-on-Murray Primary School. It was wonderful to witness so many smiles of enjoyment throughout the week, with many students stepping outside of their comfort zones to try new activities and make new friends with students from other schools. Thanks to all staff who supported our students to attend and engage in activities both on and off site, and in particular Ms Burlik for all of your organisation to ensure a wonderful and successful week.

We have partnered with Food on the Table, an SA Charity organisation based in Adelaide, who provides support for vulnerable families. One of the supports they provide is the preparation, cooking and freezing of ready-made meals for the community. With the generous support of Nippy's providing transportation, we have been able to access a number of frozen meals to provide to our families who require them. If you need support, please reach out to any of our staff members or Lesley Heinrich (our PCW) so that we can assist.

Congratulations to Ms Burlik who was recognised as a part of the Children's Week Awards for her contribution to supporting students with differing abilities to be active, connected and confident community members through engagement in a range of inclusive activities. She was presented with her award by the Governor of South Australia Her Excellency the Honorable Frances Adamson AC at Government House last week. We are very lucky to have such dedicated staff members at our school, always striving to support and provide opportunities for our students to be the best they can be.

We have our Pupil Free Day this term scheduled for Friday 17th November and our Presentation Day will be held on Wednesday 29th November - please save these dates.

Kindest regards,

Natalie Coote
