Respect - Responsibility - Success - Service

FROM THE PRINCIPAL:

Thank you to those from our school community who attended our Annual General Meeting held on Tuesday 20th February. We are pleased to welcome some new community members to our Governing Council for this year and acknowledge those that continue to support and those who have stepped down. This year our elected Governing Council members are: Minyon Smart (Chairperson), Mantzoros (Vice Chairperson), Naomi Darby (Secretary), Gemma Jones (Treasurer), Jess McKenzie, Sam Haby, Jennifer Johnson, Sharnee Rudd, Alyssa Heinicke and Cynthia Hudson. We acknowledge and thank Emilie Brown and Karen Vegh for their contribution and many years of service on the Governing Council, with ongoing support for the school and the education of students with a disability - it has been greatly appreciated.

Over the next few weeks, the school is transitioning to a new Education Management System (EMS). This means a significant change in our Administration and Finance systems. We ask for tolerance and understanding from the school community as we learn to navigate and access key information in a new way. This will particularly impact the role that Jacey and Sharon have within the school, and we appreciate your patience and support.

On Wednesday 27th March we have scheduled our Riverland Special School Open Day and Disability Expo for 2024. This will be held from 2:30pm-5:30pm at school. This is a wonderful opportunity for you, family members. grandparents, friends and people of all ages with or without a disability to attend, see our wonderful school and classrooms, and gather some information supports available to people with a disability throughout the Riverland. This year we have invited more than fifty Disability Service and Support providers to be a part of the event, ensuring a large range of worthwhile information available to all who attend. Free Sausage Sizzle from 3:30pm - please spread the word and we hope to see you there.

Kind regards,

Natalie Coote

PASTORAL CARE WORKER:

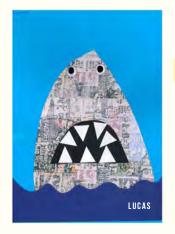

Hi, as we have many new families at the school this year, I thought I would just write a short message to introduce myself and explain my role at the school.

My name is Lesley Heinrich, some students refer to me as Mrs H, some as Mrs Heinrich and some as Lesley – I answer to them all! I have been at Riverland Special School for over 15 years now and my role has had several different titles but the role is now known as Pastoral Care Worker. I am married with 3 adult children and 5 grandchildren – 1 of whom has Down Syndrome.

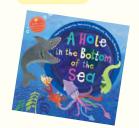

I am at the school 3 days per week (Mondays, Thursdays and Fridays) and my position is partially funded by the National School Wellbeing Program (formerly known as the National Schools Chaplaincy Program) and by the school. My role is very broad and very flexible, but it is basically to support the school community - families, students and staff in any way that I can. I support classrooms providing an extra pair of hands when needed, order and pick up food from Foodbank to support our breakfast and lunch programs, source frozen meals from my local church which can then be distributed to families, I can refer families to the Foodbank Mobile Food Hub amongst many other tasks. As a school, we truly value our students and their families, we are well aware of the joys, the highs and the lows of this journey with disability - it can bring enormous rewards but there can also be times of grief, heartbreak and disappointment. We are here to support you in your journey, whatever that may look like for you - home visits, a coffee and chat at the bakery or at school, a phone check in when times are tough, practical assistance with frozen meals - free of charge and no questions asked. I am here to help - you can contact me through the school at any time, if I am not on site, leave a message and I will get back to you as soon as I can, if the matter is urgent, the school leadership team can always contact me and I will do what I can to assist. Thank you, Lesley.
